CORE VALUES

Daniel 1:1-7 (King Nebuchadnezzar takes slaves from Judah)

Daniel 1:8 But DANIEL...

- Daniel does not have home court advantage... Daniel is standing up for what he believes in not even in his hometown

Whether you are at home or not I have the advantage!

Why? because of my VALUES!! My relationship with the Holy Spirit!

- Daniel said even though I have been taken captive... I have home court advantage!

- I know I am in slavery and I know what the king said about the food, but we don't do that at home, we don't eat that!

- When you go to school/work what values change??!!

- The devil has to know that you aren't playing

- Daniel purposed in his HEART!!

The Holy Spirit holds and reveals the values!

1 Corinthians 13:11

New Living Translation (NLT)

11 When I was a child, I spoke and thought and reasoned as a child. But when I grew up, I put away childish things.

SERMON NOTES

Judges 16:4

New Living Translation (NLT)

Samson and Delilah⁴ Some time later Samson fell in love with a woman named Delilah, who lived in the valley of Sorek.

He went from freeing the Israelites from the Philistines but now he is falling in love with Her!

- Samson didn't set up boundaries.

If you refuse to set up your boundaries, you start trying to justify what you are doing and it isn't biblical!

- Go home and put up the boundaries...
